Wetherby to Filey Charity Ride 2007

About a dozen Wheel Easy! riders (and a few 'hangers on' - always welcome!) took part in this year's GYBR. As always the organisation was excellent and the ride thoroughly enjoyable. The only disappointment was that the usual offering of wonderful cakes which we always look forward to at the last refreshment stop was missing because the lady who bakes them had suffered a serious hip injury. After several days of heavy rain, we were lucky that most of the day was dry and the temperature perfect for cycling. MM
