EG's Ride

It was a "Grey Day" that varied from fine drizzle to fine rain, but that did not deter the eleven stout hearted cyclists that met at Low Bridge. Destination Otley via Kirkby Overblow, Dunkeswick, Weeton and Pool. At Otley some riders visited Otley CC club rooms where the "Autumn Tints" have their monthly meet, its mugs of tea and fetch your own "snap" and listen to the noise created by veteran cyclists. Other riders without pack up chose a cafe for hot food and fancy coffees. We all met later in the Market Square for a quick return to door-to-door, say 25 to 30 miles. Dave P
