## EG's Ride

Six riders gathered at Low Bridge. Bill W, Paul T, Norman, Terry, Jim (a new rider) and Dave P. Weather windy and cloudy and weather forecast not so good. However very little deters the EG`s, route chosen was of a northly direction, hoping to keep the wind on our flanks for the outward and return journeys. First stop tea and biscuits with the ladies at Minskip Village Hall. Then on to Norton le Clay, Cundall, Asenby, Rainton for a snack break. Then Melmerby and Wath, then South to Ripon and Spa Gardens Cafe. Returning to Harrogate via Bishop Monkton and Knaresborough. Took the Beryl Burton path and the old railway cycle track to show Jim an area of Harrogate he was not familiar with.

Estimate most riders would have done 50 miles door to door. Dave P
