Classic 100 Mile 'Easy' Challenge

Ten riders from Wheel Easy tackled the Ripon Loiterers 100 mile ride on Saturday in fine conditions. Despite worried reports from Harrogate of downpours we watched the storm gather around and behind us and after a few spots of rain near Thirsk and distant rumblings of thunder we enjoyed a sunny day. We kept a decent pace especially after Bedale when Eric and Jill towed us briskly to Ripon, then on to Knaresborough and home before dark! Several of us notched up 114 miles all done in great company. Note that this ride can be done on small wheels and only two gears!

Well done, it was a great day. Malcolm, Gia, Paul T, Eric, Bridget, Ian, Chris, Jill, Jim, Peter L. GM
