Ride with York EasyRiders

Malcolm, Will, Sally, Ena and Karen

On a perfect late summer day, a Wheel Easy representative cycled east to join Will Hoedeman's EasyRiders group which meets every Saturday in York. This was a special day as Will was a marshall for the Tour of Britain, on a sprint stage passing through Pocklington.

Suffice to say that 5 of us had a wonderful day cycling from Heworth Green in York to Pocklington. We watched the cyclists and an enormous escort of police motorbikes and other vehicles flash past, and then had lunch at the Buddhist Centre, a couple of miles further east. Afterwards we returned to York on NCN Route 66, and I made it back home just as the endless blue skies were fading to dusk. Malcolm
