## **Wednesday Rides**

Due to poor weather only a small group of members cycled this morning, although a few went out later independently once the weather had improved.

### Poddlers Ride Report

7 riders turned out (brave souls)

Ride: Hornbeam - Burn Bridge - North Rigton - Almscliff Crag - Stainburn - Leathley - Castley - Weeton - Dunkeswick - Kirkby Overblow - Rudding Park - Showground - Hornbeam.

Set off in wet. It got drier. Sun came out. Had a fairly indifferent ride. Poor organisation and route. Can't for the life of me think who was leading this week! Will be better next time. He who must not be named
