## Acorn Ride

---

### Acorn Ride

There was a good turnout from Wheel Easy for the annual Acorn 100km ride, am afraid couldn't get everyone together for a group photo. The forecast wasn't too bad which meant a few of us registered on the day and we enjoyed the wind behind for the first half of the ride. The very welcome lunch stop was supplemented by delicious fudge being handed out with our tea and coffee. The stop was very timely as it had started to rain but by the time we left the rain had gone and as we turned for home we faced the wind.

As we arrived back at Bishop Monkton for the legendary tea and cakes the sun had made a feeble but welcome appearance.

Well done to all Wheel Easy riders, not a bad day at all. Gia M
