## **Elderly Gentlemen's Ride**

---

Not a bad day, though forecast for rain about 3-00pm.

Seven riders. Terry , Bill W, Peter J, Norman, Dave W, Dave P and Bridget.

Bridget and the EG`s, sounds like a pop group.

Route out to Borobridge. Tea and Biscuits in Minskip Village Hall.

This venue originally came about when we saw a sign outside the Hall saying Tea/Coffee, in we went made very welcome by the ladies. The same notice now has an addition ie Cyclists Welcome. Tea and biscuits all for a 1£s;.

Out to Easingwold via Brafferton and Raskelf. Snacks on the small green supplemented by items bought from the Farmers Market. Then into a cafe for Tea/Coffee. Returning to Harrogate via Aldwark Bridge, Great Ouseburn and Ferrensby.

Around 43 Miles Bridge to Bridge.

Nice to see Bridget on the ride, her day was not over though, she had to go to a Pub ( shame) then play rounders on the stray.

The EG`s might have managed the Pub bit, but a game of rounders might be beyond most of us.
