EG's Ride

A short report, if only to comment on the wonderful weather.

Seven riders met at Low Bridge. Norman, Dave W, Alec, Malcolm Y, Dave P, and newcomers John Russell and Wyn (from Ripon) though Wyn has ridden with us before. A steady pace to Wetherby, then cycle path to Boston Spa and on to Tykes tearoom in Tadcaster where a few of us with less robust stomachs could only drool over Alec`s "full monty" breakfast and Malcolm`s bacon and egg buttie.

Then on to Catterton and Askham Richard for a sandwich/biscuit break. then back to Knaresborough via Long Marston, Tockwith and Cowthorpe.

Bright sunshine, a slight nip in the air, little or no wind, perfect cycling weather. The pelaton stuck together and maintained a steady pace.

A good day. Dave P

Photos are same day, different ride. Malcolm and Gia to Brimham and Studley.
