Jubilee Tuesday

I think the title of the Wheel Easy Jubilee ride had to go to the Monday ride to Littondale.

However nine of us felt the need for a Tuesday ride, five of us riding to the Deer Park via Clint and Brimham while the other four went more directly via Ripley and the old Drovers site.

We all met at Spa Gardens in Ripon, had the customary photo and home via Bishop Monkton and Knaresborough.

A good ride, 41 miles for the Wheel Easy five and I guess about 30ish for the Wheel Easy four. Gia
